

**CARLSBAD
INTERNATIONAL
SUMMER CAMP**

Carlsbad International School will provide Triathlon Scholarships to talented students aged 14-18.

A School for the World

CARLSBAD
INTERNATIONAL
SCHOOL

Škola pro celý svět

Carlsbad International School (CIS) is a private day and boarding school offering IB Diploma and pre-diploma programmes in English for boys and girls, ages 14-18, in the heart of Europe.

A School for the World

**CARLSBAD
INTERNATIONAL
SCHOOL**

Škola pro celý svět

Our mission

We commit ourselves to helping each student in their journey to reaching their full potential, providing opportunities for life-long learning, inspiring academic success, developing inquiring minds, and growing our students as positive members of our local and global communities, demonstrating acceptance, tolerance and compassion for all.

Our Triathlon Scholarship Programme

We offer great training conditions in co-operation with the Czech Triathlon Association, immersive English ambience, healthy lifestyle on our safe campus.

We will be working on weekday/ weekend training modules:

- * Monday - Friday: Karlovy Vary local training group
- * Saturday - Sunday: Pilsen training base with Jan Řehula and his team

A School for the World

Škola pro celý svět

Our professional staff

Professional staff will be working with each triathlete. We will also have our patron **Jan Řehula** supervising the training schedule and weekend practice and competitions.

- **Jan Řehula**

Narozen 15.11.1973 v Chebu, výška 180cm, váha 72kg. Se sportem začínal již od malinka. Vytrvalost získával už jako čtyřletý, kdy s rodiči absolvoval dlouhé lyžařské a cyklistické výlety. Kdyby v šesti letech neokusil plavání, mohl z něho být i slušný krasobruslař. Plaváním v podstatě započala jeho bohatá a úspěšná triatlonová kariéra. Jako plavec prošel systémem SCM a SVS v Plzni, ale již v 18 letech ho zaujal nový sport, který k nám přišel z do té doby odsuzované Ameriky – triatlon! To, že semínko padlo na úrodnou půdu, dokazuje kromě dalších mnoha úspěchů jeho medaile z olympijské triatlonové premiéry v Sydney 2000.

V posledních letech se v triatlonu prezentuje nejen jako závodník, ale čím dál více i jako „bafuňář“. A opět na vysoké mezinárodní úrovni. Od roku 2005 působil jako trenér triatlonové reprezentace Jižní Koreje a od roku 2014 trénuje českou národní reprezentaci.

Sportovní výsledky:

Bronzový medailista z OH Sydney 2000

Několikanásobný mistr ČR v triatlonu

Medailista z ME v krátkém i dlouhém triatlonu v soutěži družstev i týmů

Držitel stříbrné medaile z ME v terénním triatlonu X-TERRA 2004

Dlouholetý reprezentant ČR v krátkém i dlouhém triatlonu

Medailista z řady mezinárodních závodů ve středním a dlouhém triatlonu

Vítěz Asijského poháru ITU

- **Oldřich Dvořák**

SCHOOL

Škola pro celý svět

CIS Triathlon Scholarship Programme aims to support current Czech and international triathletes aged 14-18 years.

Your training base will be located in the Carlsbad International School, Karlovy Vary, Czech Republic.

The school campus will provide a training home for elite young competitors, safe boarding and excellent healthy nutrition.

The scholarship programme includes access to the on-campus cardio training and to the sports facilities in the centre of Karlovy Vary during the Activities Times at least four times from Monday to Friday. There is also unrivalled running and biking terrains around this world famous spa town and in the Ore Mountains, which are used by regional, national and international teams (cross-country skiing, ice-hockey, swimming) as a training venue.

Scholarship triathletes represent the Carlsbad International School at events and also compete in elite-level races at home and abroad. One of the highlights of the triathlon season is the ITU Premium Triathlon Cup in Karlovy Vary where students participate in the individual as well as relay races.

Triathletes receive

The services of national coach Jan Řehula and co-operation with the Czech national triathlon team

Funding to subsidise competition entry and other sports-related costs

Access to the KV Arena Swimming Centre and Prima Sport Centre

Access to world-class run and biking trails

Opportunity to live on campus

Medical staff on campus

High quality nutrition

Regular training hours per week

Academic flexibility
